dedication

For the first time in the history of this school, a football team took the field. Usually a team in its first year is not supposed to have much, but not so with our "fighting Cardinals." Playing one Varsity game and four Junior Varsity games the Cardinals compiled a 2 won, 2 lost, 1 tie record. This is truly great for a first year team. Thirty-seven boys were out for football in its first year and each of them handled himself accredibily. There were twenty-one lettermen and the others received minor letters.

Football offers more chance for participation for more boys since a football team fields eleven men at a time, and there are frequent substitutes. Next year we have plans for our team. We have eight Varsity games and some Freshman-Sophomore games. The experience gained this year will be valuable for next year's team. We of the Cardinal Staff are proud to dedicate this book to the football team and hail them as they have advanced the atheltic program of this school to its peak.

The Norris City-Omaha High School is set up to give each and every member of the student body a well rounded education, both academically and socially.

Every student is urged to take part in club activities, plays, and sports. These things contribute to a well rounded social life.

Of course not all school is play; a variety of subjects are offered so as to prepare the student for college and his future occupation.

athletics

This is the first year Norris City has a full rounded athletic program. This full program of sports gives more boys a chance to participate in athletics. Football and Track were introduced in school this year along with our other two regular sports, Baseball and Basketball. The basketball team was the best the school has seen in years, ending with a 21-6 record. Football in its first year passed all expectation and ended with a 2-2-1 record. The baseball team has all of the last year's starting line-up back except one — and no less than four boys are after that position. So, there seems to be a good future in store for Norris City baseball fans. The track team, in its first year since 1947, has great possibilities and should do well this year.

First row: Larry Bryant, Carlos Hall, Maurice Galentine, Curtis Allen, Ronnie Adams, Leonard Bruce, Wayne Whiteside, Don Brown, Porter Rogers. *Second row*: Mike Keasler, Ronnie Absher, C. M. Awalt, Steven Whiteside, Larry Lane, Bill Brasel, Doyle Mayberry, Jerry Whetsell, Ronnie Haddock, John Lacefield, Charles Mayberry, Allen Gerdes, Bill Blythe. *Third row*: *Managers*: Dickie Carter, Ronald Downen, Richard Edmonds; Herbie Wilson, Jim Griffith, Jim French, Larry Bishop, Melvin Douglas, Larry Pleasant, Carl DeBoard, Larry Dagley, Ike Preston, Jerry Thurman, Sam Tanner, Leon Adams, Don Dixon. *Coaches*: Westphal, Jones.

Football Team

Head football coach Westphal
and assistant coach Jones

Head football coach Westphal and assistant coach Jones did a tremendous job with the football team. Football is a rough sport, and the boys had to be in good condition for it. Everybody being in condition was a major factor in the games. The boys were nobody's push-over. Football is a team sport and without the cooperation of each player nothing could be accomplished successfully. Although the "backs" did most of the scoring, none of this could have been possible without our tough, hard-hitting line, the unknown heroes of the gridiron.

Norris City's ball on Metropolis' twelve yard line

NORRIS CITY got off to a good start in football when they traveled to McLeansboro and played the more experienced Foxes to a 19-19 tie. The next week the Cardinals took to the road again as they traveled to Metropolis. The resultant was the first football victory in the history of Norris City-Omaha High. A sixty-yard punt return was good for the only score of the game and Norris City came home with a 6-0 victory. The first home game was one that many fans will never forget. A float parade through town brought the excitement to a climax, but the Cardinals couldn't quite come through as McLeansboro won 13-12. The next game was with Valier and was the season's only varsity game. But, Norris City's pass defense was not up to par and Valier won 12-6. The final game, with Metropolis, was a thriller and ended with Norris City scoring the only touchdown late in the fourth quarter, thus winning 6-0. Thus ended the first football season at Norris City-Omaha High School. The final record stood at two won, two lost, and one tie—a very commendable record for a first-year team.

Varsity Basketball Team

THE VARSITY BASKETBALL TEAM, under the direction of Head Basketball Coach Jones, had one of the best years that Norris City fans can remember. The Cardinals finished the season with a 21-6 record. This record is something for everyone to be proud of. Many of Norris City's victories were one's that will never be forgotten. One of these was the "sweet" 71-66 victory over our arch rival, Carmi. Another was the twenty point 67-47 victory over another fierce rival, McLeansboro. Although the starting five averaged under six feet, and only one man on the starting five was over six feet, Norris City constantly out-rebounded much taller opponents. Such was the case when we played Ridgway, who has a 6'9½" center. But that didn't stop the Cardinals, they out-rebounded him too, and won the game, 83-73. Norris City's victories included winning the Bridgeport Tourney, placing second in the Norris City Invitational, and reaching the semi-finals in the Regional Tournament.

First row: Ronald Haddock, Jack Johnson, Ellis McCormick, Leonard Bruce, Jim Greathouse. *Second row*: *Assistant Basketball Coach* Westphal, *Head Basketball Coach* Jones, John Lacefield, Ray Blazier, Larry Dagley, Richard Hamilton, Ike Preston, *Managers*, Jerry Thurman, Ervin Ripperden, and Ronnie Absher.

McCormick goes high for a rebound against Albion in the Norris City Invitational Tournament. Other Cardinals in the picture, Greathouse, 16 and Bruce, 20.

Norris City-Omaha Basketball Team

GREATHOUSE — *"Excellent Shot"* As an opposing fan put it, "He had radar eyes that were tuned in on the basket." Second in free-throws with .711.

LACEFILD — *"Good Ballhandler and Playmaker"*. Has good possibilities for next year.

PRESTON — *"Rough and Tough"*. Great help this year. Good prospect for forward slot next year.

HAMILTON — *"Elbow Kid"*. Very good rebounder this year. Great promise as next year's center.

BRUCE—*"The Rebounder"*. One of the best rebounders in our area and probably the best under 6'.

MCCORMICK — *"Best Fake and Pivot Shot Around"*. (Called awkward only when he made 26 points or more). Shot .565 from field and was high point man.

DAGLEY — *"Sharpest Elbows Around"*. Has promise of becoming a valuable team man and ball handler. Good shot and rebounder.

BLAZIER—*"Biggest man on Team"*. A very rugged rebounder.

HADDOCK — *"Defense"*. Although handicapped by a broken arm early in season he improved a lot and really helped the Cardinals. Also excellent ball handler.

JOHNSON — *"The Ballhandler"*. We pick him the best guard and ballhandler in the state. Was free throw champ with a .726 percentage. Good shot and rebounder too.

Junior Varsity Basketball Team

THE NORRIS CITY JR. VARSITY, led by Assistant Basketball Coach Westphal, had an excellent season. The team compiled a 16-4 record and the majority of the wins came at the expense of much larger schools. The Jr. Varsity was a fighting team, and this fighting spirit kept them in the thick of every hardwood battle. Conditioning was the major factor in the team's winning, and they should be congratulated on their fine record.

FRESHMAN CHEERLEADERS

Left to right: Sue Bryant, Kay Moye and Connie Martin

THE NORRIS CITY CHEERLEADERS, as always, did an excellent job in cheering the team on to victory. Without these girls, who led the yells and who fought almost as hard as did the players, the team would not have been the same. The fighting spirit of the cheerleaders kept the crowd's excitement and spirit at its peak. With this kind of backing the team could not help but have the same kind of spirit. Surely, nowhere in the state of Illinois could a prettier group of cheerleaders be found. Under their guidance the Norris City fans were a well-behaved but hard yelling group of enthusiatic fans. The cheerleaders are to be commended on their excellent work for this year.

FOR THE FIRST TIME in ten years Norris City High School will field a track team. There are six scheduled meets. Three varsity and three Freshman-Sophomore meets. The track team has been hampered by rain and has been doing most of its working-out in P. E. classes. But, with hard work the present generation of boys can hope to better some of the Norris City track records set by their fathers and older brothers. Good luck to you, Track Team!

Norris City-Omaha High School Baseball Team

NORRIS CITY'S BASEBALL TEAM will take the field this year with one of its best teams in years. The team has eight of its starting nine back from last year. This does not necessarily mean that any of the positions are "nailed down." Sixteen boys are battling for those nine positions and there will be keen competition for these positions at all times. The team has nine games on its schedule and then the state elimination tournaments. The team has high hopes of going a long way in this tournament and the whole school is behind them.

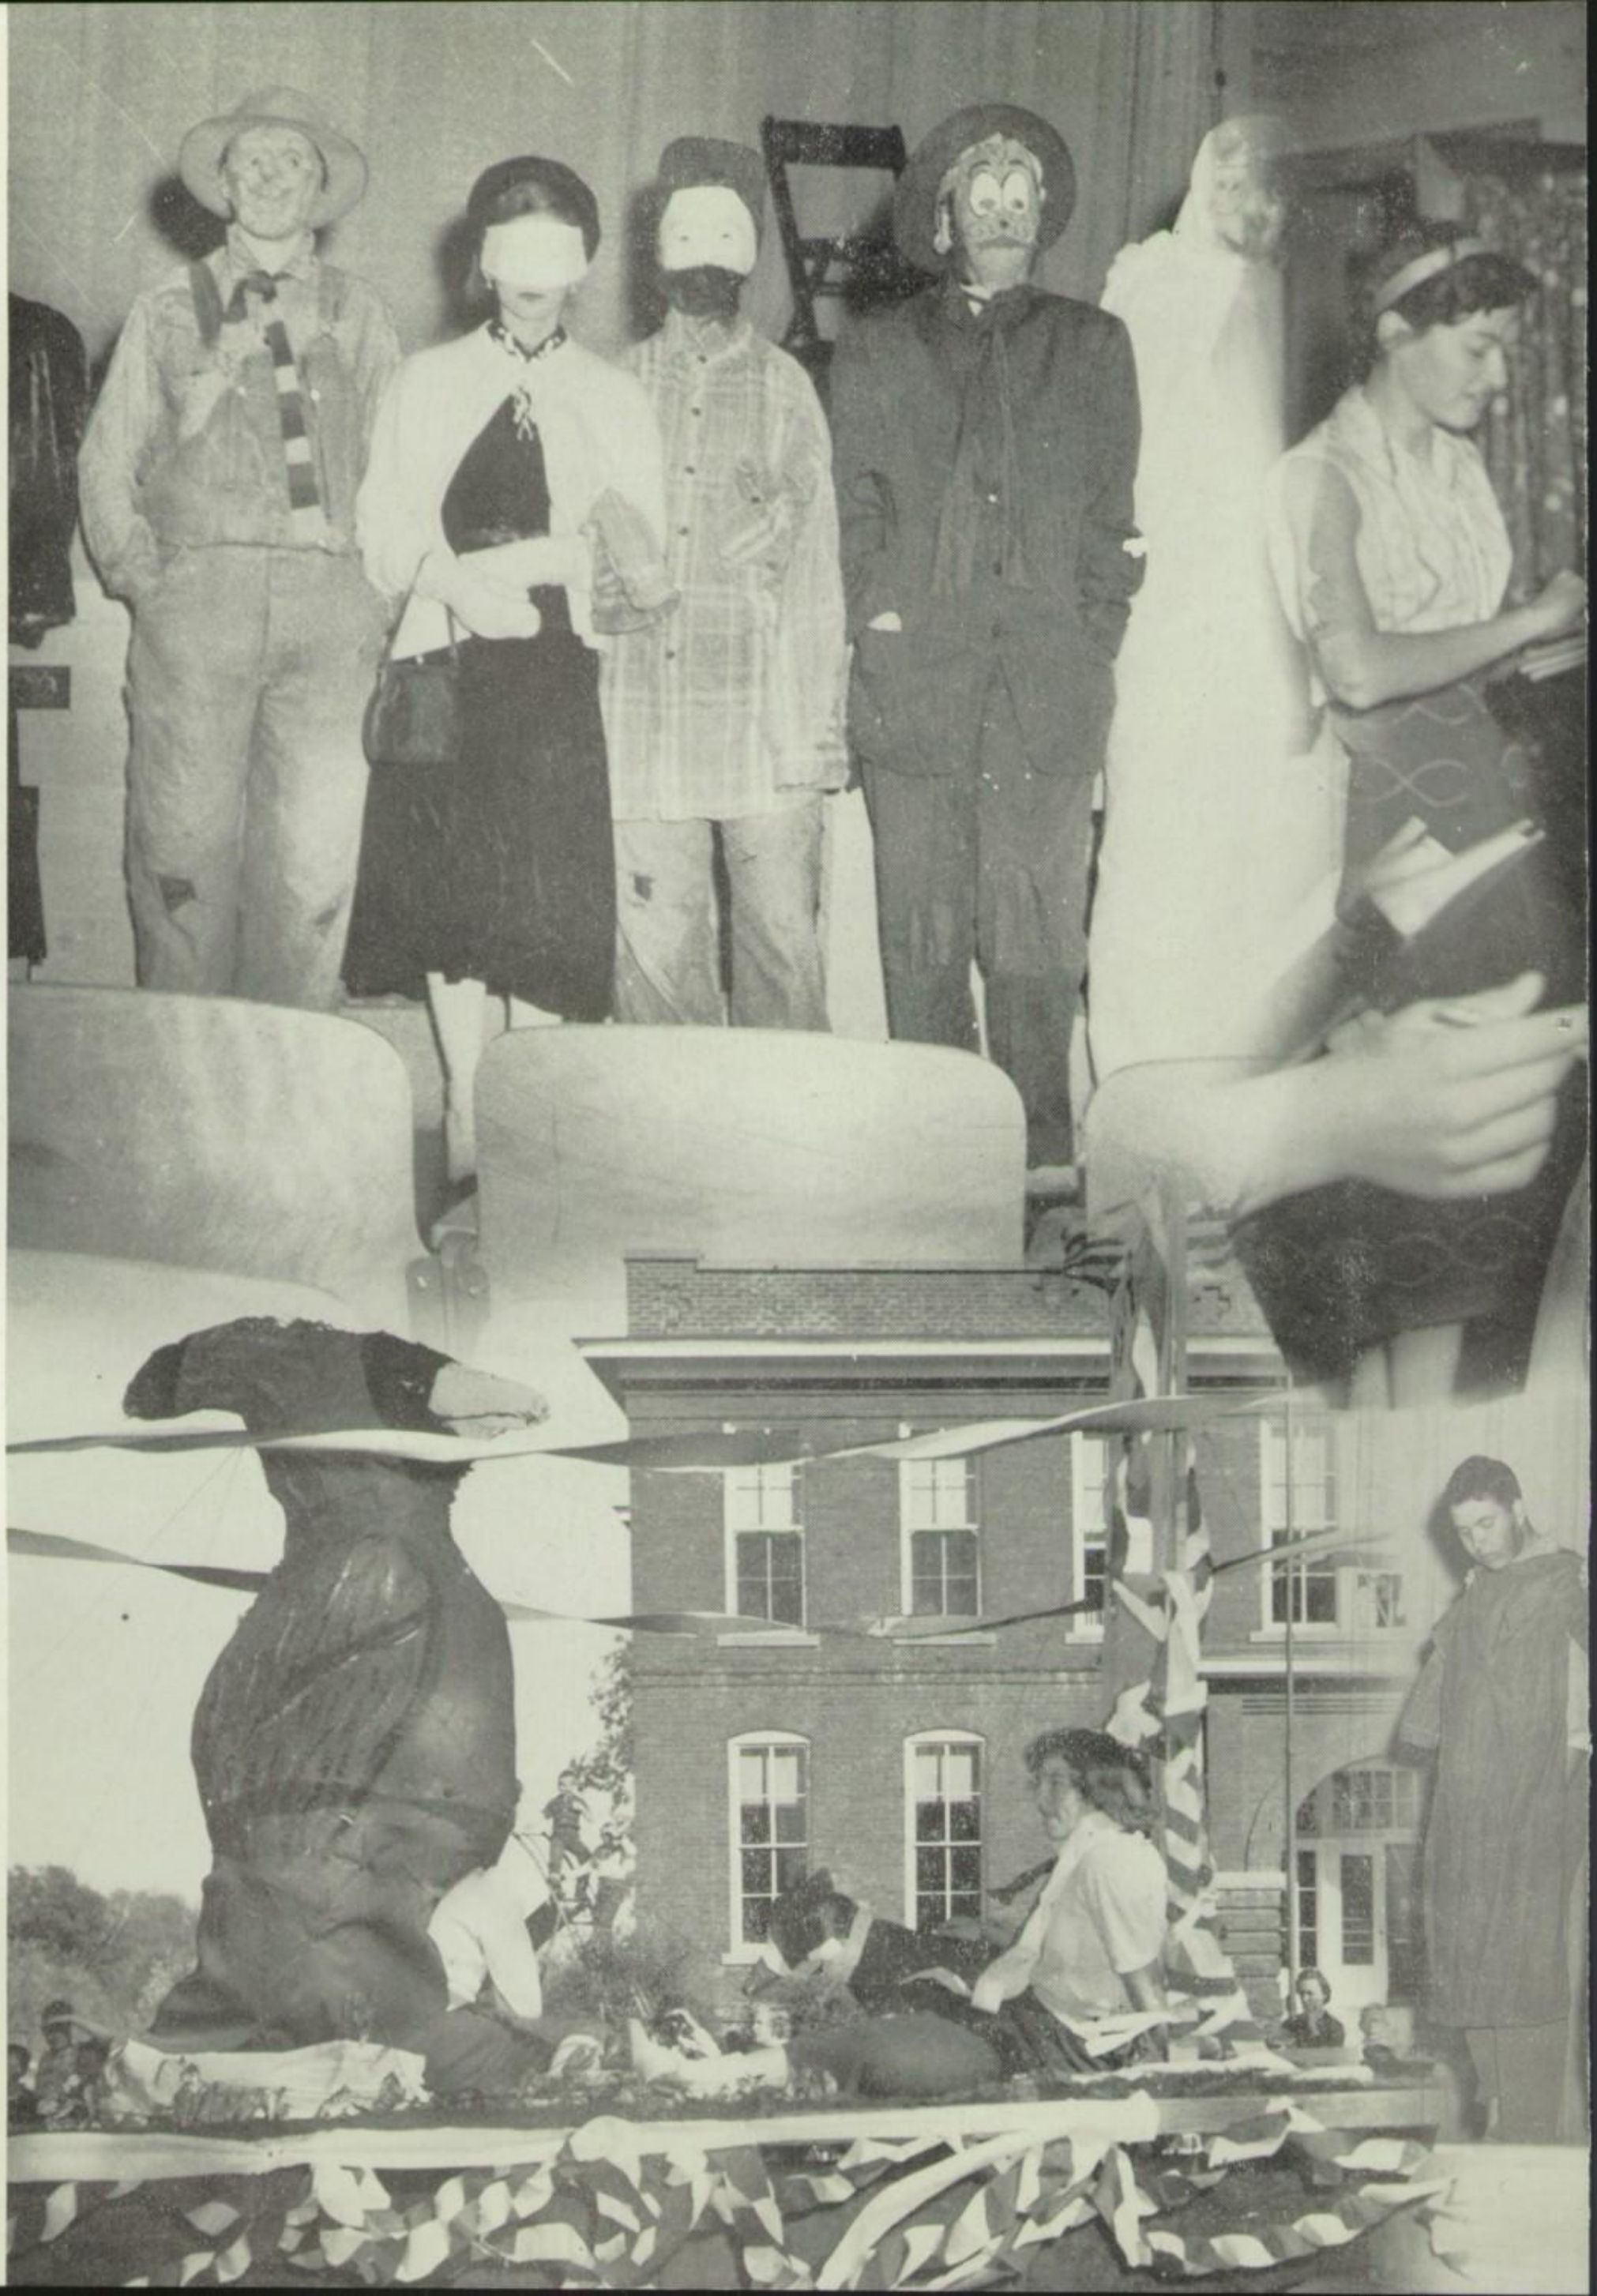
THE BAND meets from 2:30 to 3:30 three times a week. Its music ranges from overtures to the latest popular music. The band plays for parades, concerts, and all home ballgames. The swing band, comprised of some of the members of the band, plays for school parties and dances. Some members of the band go to Illinois District Band Contest each year.



The activities of the Norris City-Omaha High School are many. They vary from the annual class, club, and all school parties, assembly programs, plays, and various class and club projects to the more special activities as this year's Cardinal Carnival, football parade, and soc-hop. On the following pages you will see these and other activities that are a part of our high school.

Distributive Education and Diversified Occupation Program

NORRIS CITY STUDENTS were given an opportunity to participate in an entirely new program this year. D. E. and D. O. programs are relatively new, especially in White County, this being one of the two, county-wide programs in the United States. The objectives of this type of training are primarily the same as any vocational program, namely; preparation for a job and improvement is occupations already being practiced.

Norris City High School has three students in D. O. and three in D. E. Students participating in this program complete their regular academic high school requirements by attending school half of the day and training on the job sixteen hours per week. Four hours are spent each week in related study classes under the supervision of co-ordinators in which technical knowledge related to each particular trade or occupation is acquired. Mr. James E. Young is the co-ordinator for the D. O. students and Mr. Fred Moore for the D. E. students.

Senior Play Cast

THE ACTION in "HEADING FOR THE HILLS" takes place in Cy Goolus's General Store in Lone Mule, Tennessee. Cy, a very eligible bachelor, takes time off while being chased by three man-hungry females to greet two wealthy city nieces. The plot thickens when Cy decides to do his nieces out of their money. Finally the girls keep their money and Cy is a happy (?) husband.

grade school

The Norris City Elementary School is a very busy institution. The students learn to co-operate and get along well with each other. They are preparing themselves to be good citizens. They have a very capable staff of teachers and feel very fortunate that they have the opportunity to attend this fine school. They are duly proud of their cafeteria, P. E., Art, Music, Library, and Athletic departments.
